

NORTH EAST YORKSHIRE GEOLOGY TRUST EVENTS PROGRAMME 2010 – 2011

For all Sunday guided walks bring a packed lunch and wear appropriate footwear and clothing. For safety reasons the leader's decision is final. All events are £2 per person.

At Dinodays and Roadshows, adults accompanying children go free. For further information contact us on 01947 881 000 or email contact@neyorksgeologytrust.com.

The Geology Trust is an independent, not-for-profit organisation. Our aims are to protect our wonderful local geodiversity and share it with as wide an audience as possible. The membership of the Geology Trust costs £10 per person (£25 for a family) and runs from April to March. Membership entitles you to free events, our Newsletter Exposure, special members-only events and training opportunities.

We also undertake Private Commissions for all types of groups from a couple to a whole school and we tailor-make these events to your requirements: a Dinoday for a birthday party, a fossil and dinosaur road-show for a village fete, a nature and landscape ramble. Please contact us at the office to discuss your needs and the cost of your particular event.
