

NORTH EAST YORKSHIRE GEOLOGY TRUST EVENTS PROGRAMME 2011 – 2012

For all Sunday guided walks bring a packed lunch and wear appropriate footwear and clothing. For safety reasons the leader's decision is final.

At Dinodays, adults accompanying children go free. For further information contact us on 01947 881 000 or email contact@neyorksgeologytrust.com.

The Geology Trust is an independent, not-for-profit organisation. Our aims are to protect our wonderful local geodiversity and share it with as wide an audience as possible.

The membership of the Geology Trust costs £10 per person (£25 for a family) and runs from April to March. Membership entitles you to free events, our Newsletter

Exposure, special members-only events and training opportunities.

We also undertake Private Commissions for all types of groups from a couple to a whole school and we tailor-make these events to your requirements: a Dinoday for a birthday party, a fossil and dinosaur road-show for a village fete, a nature and landscape ramble. Please contact us at the office to discuss your needs and the cost of your particular event.
